INTERNAL REGULATIONS OF THE TEMPORARY CAMPGROUND

FOR PARTICIPANTS IN THE UECT EUROPEAN CYCLING TOURISM WEEK

The Municipality of Plasencia is making the El Berrocal Exhibition Centre and the two football pitches available to the participants of the SE 2023 for to set up the UECT federal campsite. You are therefore a guest of the Municipality of Plasencia and we would like to draw your attention to the following rules.

(1) The federal campsite UECT is exclusively intended for participants of the 16th EW of the UECT who have fulfilled their registration obligations, paid the fees, and who possess the appropriate bracelets issued by the organisers authorising the stay on the site.

(2) Minors may only stay in the campsite under the supervision/responsibility of adults.

(3) Night silence applies from 22:00 to 7:00.

(4) Camping residents have the right to use the sanitary facilities available in the campsite free of charge, while respecting hygiene and cleanliness measures.

(5) All electrical outlets comply with European regulations and correspond to type E/F. The mains supply is 220 V - 50 Hz. The electrical connections must allow a single energy consumption not exceeding **1.5 kW** (an increase in power consumption will result in automatic power off).

(6) The campsite is only guarded during the day, the organiser is not responsible for lost items.

(7) In the event of damage to or destruction of real property on a campsite, the offender shall pay the cost of repairing or replacing the property.

(8) Motors vehicles may be used on campgrounds if necessary but at a speed MAX 5 km/h and in moderation.

(9) Dogs and cats may be present on the campsite provided they are hygienic and have valid vaccination certificates, they must be kept on a leash.

(10) Participants of the EW of the UECT who are not residents of the campsite can stay there as guests from 18.00 to 22.00.

(11) Not allowed on the campsite and on the campsite premises:

(a) to connect to the existing electricity grid without having to pay a corresponding fee,

(b) to connect to the power grid of another resident who has paid the royalty

(c) the lighting of live fires, grilling and the use of open fires,

(d) playing music, singing aloud and making noise,

(e) the deterioration of the campsite's infrastructure,

(f) the introduction of dangerous articles, including weapons,

(g) to carry on commercial activities without the consent of the organiser.

(12) Residents who have booked a pitch for a motorhome - caravan + car - tent + car, on arrival on Friday or Saturday at the El Berrocal exhibition centre (UECT office) or at the football pitches, must place behind their windscreen the identification card with the allocated pitch number, which will be sent by UECT by e-mail 15 days before the start of SE 2023.

This identification card must be visible at all times during the stay so that the vehicle can be recognised as authorised. Vehicles without a sign behind their windscreen are not authorised and will be removed.

(13) The use plastic sheeting, nylon sheeting, woven mats or other suffocating materials on the campsite, in/next to/under tents or awnings (front) is PROHIBITED on the grassed areas of football pitches

(14) It is FORBIDDEN to dig trenches or the like in the soil and/or grass.

(15) NOT allowed to use electric hobs and air conditioners.

(16) It is FORBIDDEN preparing/cleaning food or washing up in the toilet/shower buildings.

(17) It is FORBIDDEN to deposit rubbish, other than in the appropriate containers.

(18) It is FORBIDDEN to empty the cassettes of chemical toilets in a place other than the one provided.

(19) NOT allowed to block / hinder the access / passage of emergency services on the campsite in any way

(20) Upon arrival, each participant will receive a wristband when registering at the UECT office on Friday and Saturday, which must be worn on the campsite. Security will check the presence of the bracelet and people without a bracelet will be asked to leave the campsite.

(21) Any person staying on the campsite is required to comply with these regulations. Health, epidemiological and fire safety rules must be scrupulously respected.

(22) Persons who persist in not complying with the above rules will be excluded from camping without the possibility of return and without financial compensation.
