**INTERNAL REGULATIONS FOR THE TEMPORARY FEDERAL CAMPSITE**

**FOR PARTICIPANTS IN EUROPEAN CYCLING TOURISM WEEK UECT**

**2026 - HEERENVEEN (NETHERLANDS)**

The municipality of Heerenveen is making 3 separate areas available to the UECT to set up pitches for SE 2026 participants in UECT federal parks/camping areas. You are therefore a representative of the UECT and, as such, a 'guest' of the Heerenveen town council and a representative of the UECT. We would like to draw your attention to the following rules, which UECT has undertaken to observe.

The organisers would point out that UECT federal campsites are temporary campsites and, as such, cannot offer the same accommodation and sanitary facilities as private campsites.

A notice board with a map of the park/area, emergency and breakdown numbers and other information will be placed at the entrance to each park/area.

Fire extinguishers will be in place in each park/area.

(1) The UECT federal campsite is exclusively intended for participants from the UECT SE who have fulfilled their registration obligations, paid the booking fees and are in possession of the appropriate bracelets issued by the organisers authorising them to stay in federal parks/camping areas UECT.

(2) Minors may only stay on the campsite under the supervision/responsibility of adults.

(3) Night-time silence applies from 10pm to 7am.

4) Residents of the UECT federal campsite have the right to use the temporary sanitary facilities available free of charge, while complying with hygiene and cleanliness measures.

(5) All electrical sockets in sanitary facilities comply with European regulations and are type E/F. The mains supply is 220 V - 50 Hz alternating current.

Temporary electrical connections must allow a single energy consumption not exceeding **1.5 kW** (an increase in power consumption will result in automatic power off).

(6) The campsite parks/areas and surrounding areas are not under surveillance during the day. The police will make several outings, but the parks/areas will be guarded from 10 p.m. to 7 a.m. by a security service.

(7) In the event of damage to or destruction of movable or immovable property in the camping area, the offender is required to pay the cost of repairing or replacing the property.

(8) Motor vehicles may be used on campsites if necessary, but at a speed MAX 5 km/h and in moderation.

(9) Dogs and cats are allowed on the campsite provided they are hygienic and have valid vaccination certificates. They must be kept on a lead.

(10) Participants in the UECT SE who are not residents of the campsite may stay there as guests from 6 p.m. to 10 p.m.

(11) Prohibited in the campsite area and on campsite premises :

a) in sanitary facilities: to connect to the existing electricity network for personal use, **to recharge the batteries of electrically-assisted bicycles**, but authorised. recharge telephones or GPS devices, which will be the responsibility of the owners.

b) connect to the temporary electricity network without having to pay a corresponding fee or to connect to the electricity network of another resident who has paid the fee.

c) use of electric hotplates, electric barbecues, lighting of open fires, barbecuing, use of open fires,

d) unauthorised vehicle traffic and parking (UECT identification sheet).

e) playing music, singing out loud and making noise,

f) damaging the campsite's infrastructure,

g) bringing in dangerous items, including weapons,

h) carrying out commercial activities without the organiser's consent.

(12) Residents who have reserved a pitch for a camper van - caravan + car - tent + car, on their arrival on Friday or Saturday **in the vicinity** from the UECT Federal Campsite must place behind their windscreen the name card indicating the Zone/Park and the allocated slot number, which will be sent **by UECT between 12 and 14 June 2026** at the latest, by e-mail from info@uect.org, information to be consulted in your inbox and/or spam/undesirable.

This identification card must be visible at all times during the stay so that the vehicle can be recognised as authorised to park, for control/security purposes. Vehicles without a card behind their windscreen will not be authorised to park and will be asked to leave the campsite.

(13) The use of tarpaulins, carpets, plastic sheeting, nylon sheeting, woven carpets or other suffocating materials on the campsite, in/near/front under the awnings is strictly PROHIBITED for motorhomes/caravans on grassed areas.

(14) It is FORBIDDEN to dig trenches or similar in the ground and/or the turf.

(15) It is FORBIDDEN to prepare/clean food or wash dishes or laundry in the toilet/shower buildings. Water points for washing dishes and clothes are provided in each area.

(16) It is FORBIDDEN to dispose of rubbish other than in the appropriate selective sorting containers.

(17) It is FORBIDDEN to empty chemical toilet cassettes and domestic waste water in any place other than those provided for this purpose.

(18) NOT authorised to block / hinder access / the passage of emergency services on the campsite in any way whatsoever.

(19) On arrival, each participant will receive an identification wristband when checking in at the UECT desk on Friday and Saturday. This wristband must be worn on the campsite. Security will check that the wristband is present and anyone without a wristband will be asked to leave the campsite.

(20) Everyone staying at the campsite must comply with these rules. Health, epidemiological and fire safety regulations must be scrupulously respected.

(21) Anyone who persists in failing to comply with the above rules will be excluded from the campsite without the right to return and without financial compensation.
