TEMPORARY FEDERAL CAMPGROUND HOUSE RULES

FOR PARTICIPANTS IN THE EUROPEAN CYCLING WEEK UECT

2027- SAIGNELEGIER (SWITZERLAND)

The municipality of Saignelégier provides UECT, 4 distinct zones to set up in UECT Federal Camping zones, the pitches of the participants of the SE UECT 2027. You are therefore a representative of the UECT and as such, a "guest" of the municipality of Saignelégier, and representative of the UECT. We draw your attention to the following rules to be respected and that UECT has made the commitment to do so.

The organisers would like to remind you that the UECT Federal Campsites are ephemeral campsites and, as such, they cannot offer the same accommodation and sanitary comfort services as in private campsites.

A notice board with the map of the park/zone, emergency numbers, toilet troubleshooting numbers and various information, will be placed at the entrance to each zone.

Fire extinguishers will be in place in each park/area,

(1) The UECT Federal Campsite is exclusively intended for participants of the UECT SE who have fulfilled their registration obligations, paid the booking fees, and who have the appropriate wristbands issued by the organisers authorising the stay in UECT federal parks/camping areas.

(2) Minors may only stay in the campsite under the supervision/responsibility of adults.

(3) Night-time silence applies from 10:00 p.m. to 7:00 a.m.

4) Residents of Camping Fédéral UECT have the right to use the available temporary sanitary facilities free of charge, while respecting hygiene and cleanliness measures.

In the sanitary facilities, **the sockets will not meet** the European standards of the 3-pin type but correspond to the type **J standard SN 441011,** a specific adapter will be necessary for all connections.

(5) Electrical connections to European standards such as 3-pin are provided for the paid supply of recharging of electrically assisted bicycle batteries, as well as for sleep apnea assistance batteries.

The AC supply is 230 V - 50 Hz.

(6) The camping areas and surroundings are not monitored during the day, several visits by the cantonal police are planned, but the areas will be monitored by several visits by a security service from 11:00 p.m. to 6:00 a.m.

(7) In the event of damage to or destruction of movable or immovable property in the camping area, the offender shall pay the costs of repairing or replacing the property.

(8) After installation, the circulation of motor vehicles is not allowed in the areas of the Federal Camping UECT, except when necessary, but at a MAX speed of 5 km/h and in moderation.

(9) Dogs and cats may be present on the campsite provided that they are hygienic and have valid vaccination certificates, they must be kept on a leash.

(10) Participants of the UECT SE who are not residents of the campsite may stay there as guests from 18:00 to 22:00.

(11) No person in the camping area and on the campsite premises:

a) in the sanitary facilities: to connect to the existing electricity network for personal use, **to recharge the batteries of electrically assisted bicycles**, but allowed for the charging of telephones and GPS, equipment which will be under the responsibility of the owners.

b) the use of electric hobs, electric barbecues, the lighting of high fires, grilling, the use of open fires. Traffic and the parking of unauthorised vehicles, (UECT identification sheet)

(d) playing music, singing aloud and making noise,

e) to cause damage to the campsite infrastructure,

(f) the introduction of dangerous items, including weapons,

(g) to carry out commercial activities without the consent of the organiser.

(12) Residents who have reserved a pitch for a motorhome – caravan + car – tent + car, on arrival on Friday or Saturday **in the vicinity** of the UECT Federal Campsite must imperatively place behind their windscreen the name card indicating the Zone/park and the allocated pitch number, which will be **sent by UECT between 12 and 14 June 2027 at the latest**, by an email from info@uect.org, information to be consulted in your inbox and/or in spam/junk mail.

This identification card must be visible at all times for the duration of the stay so that the vehicle is recognizable as authorized to park, for control/security purposes. Vehicles without a card behind their windscreen will not be allowed to park and will be asked to leave the campsite.

(13) For motorhomes/caravans, on grassed surfaces, it is strictly **FORBIDDEN** to use tarpaulins, carpets, plastic sheets, nylon sheets, woven mats or other suffocating materials on the campsite, in/alongside/front under the awnings.

(14) It is FORBIDDEN to dig trenches or similar in the ground and/or turf.

(15) It is FORBIDDEN to prepare/clean food or wash dishes, laundry in toilet/shower buildings.
There are water points in each area for washing dishes and washing clothes.

(16) It is FORBIDDEN to deposit garbage other than in the appropriate containers for selective sorting.

(17) It is FORBIDDEN to empty chemical toilet cassettes and domestic waste water in a place other than those provided for this purpose.

(18) NOT allowed to block/obstruct the access/passage of emergency services on the campsite in any way.

(19) On arrival, each participant will receive an identification bracelet when registering at the UECT permanence on Friday and Saturday, this bracelet must be worn in the campsite. Security will check the presence of the bracelet and people without a bracelet will be invited to leave the campsite.

(20) Anyone staying on the campsite is required to comply with these regulations. The health, epidemiological and fire safety rules must be scrupulously observed.

(21) Persons who persist in not complying with the above regulations will be excluded from the campsite without the possibility of return and without financial compensation.
